PARTNER WITH NORTH STATE CANCER LEAGUE

Be known as an organization that is helping local cancer patients and their families

NORTH STATE CANCER LEAGUE'S Annual Event – Saturday, May 4, 2024

You won't want to miss the fun of the North State Cancer League event this year! Join us and other community leaders and make a significant and direct impact on the lives of those fighting cancer in our community. All proceeds from the evening go directly to our own community, helping to reduce the financial impact of those faced with a cancer diagnosis.

ABOUT NORTH STATE CANCER LEAGUE

North State Cancer League is a 100% volunteer run 501(c)3 non-profit. Our purpose is to raise money for cancer related causes, services, and equipment for our local community and to distribute funds raised for local services and projects. The generosity of our community is overwhelming. Over the past 38 years, we have raised more than \$3.3 million dollars in support of cancer research and services with our annual fundraising event. All donations are tax deductible and again, stay local.

SUPPORT A CAUSE THAT MAKES AN IMPACT

Since 2014, with the remarkable support of our community, we have donated over \$700,000 dollars to the following organizations: **Mercy Foundation North** (North State Cancer Patient Fund, the Advanced Navigational Bronchoscope (which helps to detect lung cancer), a Blood Cell Counter, AccuVein equipment and special recliners for Mercy's oncology unit, and Uber Health Transportation), **Alyssa Araiza Wings of Angels, Camp Okizu, Cancer Research Institute**, and **NorCal Think Pink**.

ABOUT CANCER IN SHASTA COUNTY

Cancer remains a prevalent disease in Shasta County. According to state and national statistics, Shasta County is in the top 5 counties in California for cancer cases. The top five cancers continue to be breast cancer, lung, pancreas, bladder, and non-hodgkin's lymphoma. Mercy Medical Center Redding's oncology alone sees 1,300 new cancer patients a year. About 50% of the cancers are discovered at stage 1, when it is most treatable, approximately 50% are discovered at stage 4, when treatment options are fewer.

Derby Day - Give Cancer a Run for its Money!

This exciting evening is a high-profile fundraising event benefiting local cancer patients and their families. It will be held on Saturday, May 4, 2024. The event includes delicious food, live music and entertainment, a phenomenal silent and live auction, jewel of the night raffle, and an inspiring Raise-the-Paddle for cancer call.
